

FLAVOR DISPENSER

Our in-line Flavor Dispensers provide even seasoning dispensing onto your conveyed product, at virtually any conveyor speed. Spices and flavoring are metered through a special meshed belt for a uniform, lump free application... and a superior product.

FEATURES

- Stainless steel construction.
- Stainless steel motors and gearboxes.
- Can be ordered with or without a lower product conveyor.
- Designed and built to any width required.
- Easy clean spice hopper.
- Sight glass in hopper to monitor spice level.
- Uniform side to side application of seasoning.

We'll build a flavor dispenser
to meet your needs.
